A FASCINATING WORLD – AT YOUR FINGERTIPS!

## UNIVERSUM® BREMEN!

Pure excitement: catch a **lightning bolt**, walk through our **tactile gallery** in total darkness, and feel an **earthquake** through your whole body – all this and much more is possible at Universum® Bremen! Visitors young and old can get right up close to the exciting world of natural phenomena – an experience for all the senses.

Explore our three zones of **Technology**, **Humans** and **Nature** with numerous interactive exhibits. Try out a **lie detector**, control a giant **ball roller coaster** and observe our unusual **animals!** Will you pass our electric test of courage?

Why not take a look at the **latest** research findings, too?

Visitors aged 3 to 8 can investigate, dream and discover in the **“Milky Way”** children’s section.

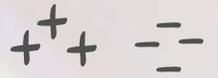

## AROUND 300 HANDS-ON ACTIVITIES ARE WAITING FOR YOU!

## SPECIAL EXHIBITION

In addition to our extensive permanent exhibition, Universum® holds regular **special exhibitions** on fascinating topics.

## SCHOOL TRIPS

Universum® is a great place to learn while having fun. School classes of all ages will gain exciting educational experiences: ask about our **discovery** and **technology sessions!**

## OUR SHOWS

Entertainment with the wow factor! Witness mind-boggling experiments. Several times a day, our friendly team demonstrates amazing **phenomena** and explains the mystery behind them in a fun way.

## EVENTS

A very special kind of venue! If you’re looking for an unusual location for your **event** or **conference**, why not book Universum® for your **exclusive use**. Furthermore, we offer you and your employees unique and special **team events**.

Our popular events in the **dark** transport you to a world without light and open your eyes to a new way of looking at the world around you. Enjoy **coffee** and **cake** or a delicious **three-course menu**.

## OUTDOOR DISCOVERY

At Universum®, you can also explore outdoors! Our spacious outdoor area offers exciting places for open-air experiments. The **Sky Tower** is 27 metres tall and boasts a brilliant view over the city as well as further surprising exhibits.
